## PROFESSIONAL EXPERIENCE

---

**Associate Director, Design (Material+)** Apr 2025 – Present

- Set UX and CX vision across all product verticals, elevating design to a core strategic lever.
- Built scalable design operations and championed excellence in execution, design systems, and innovation.
- Drove org-wide alignment through design reviews, strategy councils, and stakeholder engagement.

**Strategic Design Lead (Dr. Reddy's Laboratories)** Jan 2024 – Apr 2025

- Managing internal and external 8-12 designers
- Directed product design vision for two large-scale digital healthcare platforms.
- Elevated team performance by implementing design leadership practices, OKRs, and mentorship.
- Aligned design with clinical and business goals, influencing digital transformation at scale.

**Product Design Lead (Betterplace)** May 2023 – Aug 2023

- Managed a team of 3 designers
- Pioneered the UX foundation for a new SaaS HRMS platform.
- Drove cross-functional alignment and launched initial MVP in under 4 months.
- Instituted user research and agile feedback loops as part of design culture.

**Senior Product Designer (MPL)** Jun 2022 – Jan 2023

- Collaborate with 44 designers
- Led design for two flagship games impacting over 90 million users.
- Balanced hands-on contribution with leadership of two designers in a fast-paced environment.
- Delivered measurable improvements in engagement and retention after launch.

**Principal UX Designer & Team Lead (Altaire Insights)** Sep 2019 – Jun 2022

- Established design leadership function and scaled team from 0 to 12.
- Led high-impact redesigns that transformed user experience for enterprise clients in automotive and leisure sectors.
- Reimagined the complete user experience (CX, UX) for one of Asia's largest amusement parks

- Introduced a design framework that cut loan processing time from 7 days to 1.3 minutes.

## EARLY CAREER

---

**User Experience Specialist/Lead (Experion Technologies)** May 2017 – Sep 2019

- Shaped a design-first culture within engineering-heavy teams.
- Established design leadership function and scaled team from 0 to 13.
- Led UX across 38+ products, delivering results across fintech, healthcare, and retail.

**Lead UI/UX Designer (Reflections Info Systems)** May 2014 – Apr 2017

- Built and led the design team, enabling high-volume delivery of B2B and B2C products.
- Established design leadership function and scaled team from 0 to 10.

**UI/UX Designer (DeviceDriven)** Jul 2013 – May 2014

- Focused on UX design of early stage healthcare apps.

**UI/Web & Graphic Designer (Srishti Innovative)** Apr 2011 – Jun 2013

- Created UI, animation, and digital assets for web and mobile.
- Focused on HTML/CSS/HTML5/Jquery and JavaScript
